

## VACANCY NOTICE

### **SPORTS DEVELOPMENT ASSISTANT APPRENTICESHIP**

30 hours – £158.40 per week  
rising to £224.70 per week (£7.49 per hour for 18+ years) after 12 months  
minimum 18 month contract

Are you looking for a rewarding job that works in communities to increase the number of people being active? And, if you're passionate about sport, we want to hear from you!

We've got an exciting opportunity for an apprentice to 'earn while you learn', completing the Level 3 Community Sports and Health Officer. This is a fast paced Company, providing sports, leisure and fitness opportunities in a number of leisure centres and community settings.

The post is a unique partnership programme across Nottinghamshire, where the successful postholder will be part of the nationally recognised 'Coach Core' Scheme. This will enable greater opportunities and experiences for working within sports development.

You'll assist the team to manage the holiday camps and activities and partner site bookings as well as visiting local businesses to support our corporate wellbeing initiatives. This is all to increase new opportunities for people in Newark and Sherwood to be active.

You must be educated to GCSE level, achieving grade C or above (or equivalent) in both English and Maths. Being able to communicate effectively is a must, as well as good organisational and numerical skills. As with all jobs in leisure, you need to be able to work as part of a team, work to tight deadlines and be flexible in working arrangements. You will work across the district as well as at our leisure centres in Newark, Ollerton, Blidworth and Southwell.

This, level 3 qualification and advanced apprenticeship, is worth in excess of £9,000. You need to have some knowledge in sport and leisure, so a BTEC in Sport or relevant Level 2 qualification or equivalent would be beneficial. Following the completion of this apprenticeship, the postholder will have the skills and experience to progress to a sports development, community or health improvement position in the industry.

In return, we offer excellent terms and conditions which include:

- ✓ Opportunities for additional hours in other positions to boost pay (subject to relevant qualifications held)
- ✓ An employee training programme that gives everyone the opportunity to learn the skills they need to unlock and fulfil their potential
- ✓ Discounted access to the Company fitness and children membership packages
- ✓ Branded uniform
- ✓ Contributory pension scheme
