

BEYOND THE PHYSICAL
POWER UP YOUR PE
OUR SCHOOL SUPPORT

WHO WE ARE

Beyond the Physical are a team of education specialists who support teachers, coaches and school staff to deliver High Quality PE. We provide bespoke CPD, in depth subject support, accredited courses, on demand lessons plus much more. All our consultants have held positions as school teachers and leaders.

Beyond the Physical are an approved 1st4Sport/UK Coaching and Sports Leaders learning centre & we are accredited by the Association for Physical Education professional development board.

The team is located across the country enabling us to provide high quality education support to your school and PE lead. We understand the school working environment and as a result can tailor our work to meet the business needs of your organisation

WHAT SUPPORT CAN WE OFFER?

SUBJECT REVIEW

In depth review of your school's PE offer including interviews with the PE lead, learning walk across all year groups, individual feedback, pupil interviews and a written report.

REVIEW & SUPPORT

This is our recommended option for primary or secondary schools who really want to understand their PE offer and develop a modern and engaging curriculum of brilliant PE together with an inclusive and varied school sport offer.

For primary schools: Use your PE funding wisely with a focus on how PE fits into your plans for whole school improvement.

PE SCHEME OF WORK

Embrace The *Power of Three* with our innovative and engaging units of work. This includes on demand CPD for staff, your own personalised web page and much more!

WHAT OUR TEACHERS SAY

MR BLACKBURN

Headteacher, St.John's

"Staff commented on the training and how it was some of the best support they have received. It has really improved the quality of teaching and learning, more importantly the enjoyment of the subject by staff and pupils'. They gave us three key development points and highlighted best practice, all conducted in a supportive manner."

MISS CLARK

Headteacher, Immaculate Heart

"We were actually looking for a challenge as we thrive on improving but we wanted it to be supportive to bring everyone along with us. There is a lot more focus on PE and a progressive approach particularly with the use of the learning themes. It has significantly changes the way we teach PE."

HARRY

Class Teacher

"My Year 2 class are absolutely engrossed in the 'Look Run Avoid' theme. They've been asking if they can play the 'Lion and Hyena' game during play time!"

GEMMA

Class Teacher

"My year 4 class are developing skills such as collaboration and teamwork; the development is amazing and is having a clear impact on classroom engagement as well"
