

# MAX WHITLOCK Gymnastics

Our program comprises two key components, both of which are afPE approved: the Max Whitlock Gymnastics Teaching in Schools Award, a fully accredited e-learning CPD award, and our extensive resource hub

**Our accredited Leadership Skills Foundation CPD course boosts teacher expertise and confidence in primary school gymnastics**

**The Max Whitlock Gymnastics resource hub, featuring materials organised by year group that provides all you require to conduct high-quality gymnastics PE lessons and more**

**"Gymnastics instills vital life skills in children. My goal is to equip teachers to deliver high quality gymnastics PE lessons and school sports activities."**

- Max Whitlock OBE

**Our comprehensive approach empowers teachers, promotes physical activity, and enriches students' experiences. With an accredited CPD course and an extensive gymnastics resource hub, we're here to elevate Physical Education whilst ensuring the positive impact continues to reach future pupils**

## See what our resource hub includes

Carefully designed lesson plans for each year group

Extra curriculum lesson plans

Comprehensive video resources to support lesson plans

Ongoing support for teachers

Flash cards to assist with children's independent learning

Video messages from Max, suitable for assemblies and year group presentations

School display & competition blueprints

Exclusive Youtube channel to combat inactivity throughout the holiday period
