# WALKING CAN...

Help to reduce stress

Make you feel good

Help you sleep better

Give you more energy

Reduce blood pressure

Help to manage weight

Here are some of the Carlton residents who helped to research the walks

## NOTES

- Duration of routes have been calculated using a slow walking pace but are approximate, dependent on any rest stops you take.
- Please wear suitable footwear and clothing for the walk and weather.
- Walking is one of the safest outdoor activities but it is your responsibility to abide by the Highway Code, behave sensibly and minimise the potential for accidents.

Created in September 2024
